

Lemon Grove Review

VOL. 7 NO. 12

LEMON GROVE, CALIFORNIA NOVEMBER 11, 1954

10c Per Copy

The Mason LINE

by Chan Mason

Two accidents within a week on Imperial Ave. in the American Homes area in which two youngsters were hit by cars again points up the need for traffic lights and additional cross-walks in our town. We wouldn't care to be in the shoes of any road official, State, County or otherwise, once the mothers of this area really get riled—as they surely will one of these fine days.

—ML—
Speaking of roads, the November issue of Nation's Business comes up with some interesting facts and figures regarding freeways. Case studies of cities and towns by-passed by new freeways show they benefit tremendously through higher land values and increased business. The frontage road paralleled to and connecting with the freeway at points where it is safe to do so has proved to be a better business road by far than when it was the main thoroughfare and overburdened with traffic. Figures show an increase of 40 per cent and above in sales comparing the two years before and the two years after the opening of the freeway.

However, the above success story is predicated upon the town having a really good access road and adequate parking facilities. We doubt if any of us have given much thought to future parking problems nor do we have a very clear picture of what kind of access road is being planned for us after the freeway is complete.

—ML—
Our latest report shows Judge Hussey still perched securely atop the nicotine wagon. Nary a weed in over two weeks. Frankly we've read so much about the ill effects of smoking lately, we've decided to give up reading.

—ML—
Just in case anyone is having difficulty in selecting a meeting to attend, drop in at the Education Center Monday, Nov. 22 at 7:30 p.m. A presentation of how social studies are taught in our schools will be an early item on the School Board's agenda. If you'd care to stay for the complete meeting you are more than welcome. Bring a snack, however, it's a long time between meals. A person can easily starve to death before adjournment.

We Beg Your Padden

Some advertising had to be omitted this issue due to the size of the legal announcement on Incorporation. We are genuinely sorry that we had to do this. Your favorite business house will be back in his regular spot in this newspaper next week.

The primary job of Navy destroyers is to seek out and destroy enemy submarines.

Lindley's Turns Keys to Drug Store Over To Tomers

Completion of details surrounding the sale of Lindley's Drug Store was announced this week by Gayle and Bob Lindley to the Lemon Grove Drug Co., Inc.

The Lindleys started the firm about eight years ago when Lemon Grove was actually little more than a citrus orchard. The sale price was undisclosed.

The new firm will operate under the management of Helen and Harold Tomer, who recently moved here from Laguna Beach. They have taken up residence in Lemon Grove on Tierra Roja, just above Riviera Drive.

Tomer has more than 20 years experience in the drug merchandising business and operated the Tomer Drug Store in Hanford, California before coming to Laguna where he ran the Rankin Drug Store for several years.

Under the new operation the store will expand its cosmetics department and nationally known lines, such as Colonial Dames and Tussy, have been added. As a Rexall store it will also expand its household merchandise section and widen the stock lines of toys and Christmas gift merchandise.

The Tomers said they expected to enlarge the store as needed "to grow with Lemon Grove."

The Lindleys, who are presently on an extended vacation tour through the northern part of the state, have asked their patrons to continue to shop at the store.

They have pointed out, in a paid announcement, that the same quality merchandise and good service could be expected from the new operators.

NAT EGGERT NAMED TO WATER BOARD

Nat Eggert, well known El Cajon Valley resident, was appointed to the Irrigation Board by the County Board of Supervisors. He replaces Jack Schrade, a member of 12 years, who was elected to the assembly earlier this month.

Eggert will be required to run for office when the term he is filling for Schrade expires in February.

Harry Griffen, Lemon Grove representative and Joe Levikov of the Grossmont-Fletcher Hills District will also face an election in February if they elect to run.

Rebekah's Projects To Help Hospital

Mesa Jewell Rebekah Lodge 409 I.O.O.F. will meet on Saturday, 8:263 La Mesa Blvd., at 7:30 p.m. for the regular business meeting, presided over by Mrs. Verda Lyng Noble Grand assisted by Mrs. Ima Masters, Vice Grand. There will be balloting on candidates. Mrs. Olive McCann is refreshment chairman.

Somebody is Going To Get a Turkey From Ernie

Some lucky resident is going to have a 24 pound turkey to set before the family this Thanksgiving. The turkey, a tom, oven ready, sweet and tender, will be given by Ernie Nosari, who operates a market near Brookside.

Not only that, Mason Feed Supply is going to give the turkey a Purina feast, stuffing the bird with all he can eat until he is ready for the oven. He'll be the fattest bird in town, the feed executive said.

Ernie said that there was nothing to buy to be eligible; a mere matter of registering. The tom, which will be chosen from the choice flock of Hamlett and Son's Turkey Ranch in Lakeside, and one of the biggest turkey raisers hereabouts, will be given on November 23 between noon and 1 p.m.

Nosari said that due to an old-standing contract with the turkey ranch, he acquires the birds several cents lower than many markets. His retail price, he says, is traditionally lower also.

The Dixon LINE

By Friend Dixon

TWO VIEW-POINTS

From the 18th Chapter of the Gospel according to St. Luke: v. 9-14: And he spake this parable unto certain which trusted in themselves that they were righteous and despised others.

Two men went into the temple to pray: The one a Pharisee and the other a Publican.

The Pharisee stood and prayed thus with himself, God, I thank thee that I am not as other men are, extortioners, unjust, adulterers, or even as this publican.

I fast twice in the week. I give tithes of all that I possess. And the publican standing afar off would not lift up so much as his eyes unto heaven, but smote upon his breast, saying: God, be merciful to me, a sinner.

I tell you, one went down to his house justified rather than the other; for everyone that exalteth himself shall be abased; and he that humbleth himself shall be exalted.

—DL—
From an article in the Vancouver Sun, Vancouver, British Columbia, written by Grant Madison, we quote in part:

We cannot depend on money, or society, or politics. To many, these are still life and the meaning of life, but we shall find them to be less than nothing in the great scheme of the universe.

There is only one thing upon which we can depend. It is the Power which most of us call God. (Continued on Page 12)

Incorporation Election Seen for This Year

Two developments on the Lemon Grove Incorporation front this week served as notice that a decision is only a pitch-and-a-putt away.

One, the publication of the legal, in this issue of the Review, for which protagonists of incorporation put up nearly \$1,500. By such action, the County Board of Supervisors was able to set a date upon which hearing would commence. This date is November 30 at 2 p.m.

The other was the announcement by Robert O. Gaudin and Forrest Baxter, co-chairmen of Organizations United for Incorporation that if the hearings can be completed in less than the 30 day limit, that a attempt will be made to hold the election this year.

At least three petitions for exclusion will be heard by the supervisors. Property in the College-Broadway area, in the Vista La Mesa area and some in the hilltop north of the city will probably ask for exclusion. There may be others but so far there have been no other organized groups to indicate that they would request to be heard.

Choice of a councilmanic slate has not been announced by officers of the O. U. for I. but obviously, these must be revealed prior to the hearings can soon. Parks and Recreation and the source of revenue will come up for discussion at the next public meeting to be held at the Junior High School Auditorium Tuesday, November 16 at 7:30. These meetings, incidentally, have become good, informational get-togethers and the speakers have avoided the pitfalls of other meetings where name calling and accusation occasionally cropped up.

It should be pointed out, however, that anyone may run for the city council. The sanction of the O. U. for I. is not needed. Election of councilmen will be simultaneous with the vote on incorporation.

LETTERS TO THE EDITOR

Dear Editor:

Red's ghost writer might as well sign his letters as co-author because you can't miss his familiar style of writing, particularly when it's about churches and preachers. The only reason I can figure out why he is so prejudiced against them is that he must have been held under the water too long, or dropped on his head when he was baptized during his childhood.

I was very interested in Red's statement "Lemon Grove is perhaps the cleanest and most respected community in the whole county."

Did you know that the county zoning laws provide that any resident of Lemon Grove can raise "swine" on their property? Webster defines swine as a domesticated hog. Maybe he shouldn't have been mentioned because some of my neighbors may start raising hogs. If you don't believe me you can phone the County Planning Commission. Zoning laws to fit the community and enforcement of them are our greatest need.

We wouldn't have that old building which was moved to Alton and Washington Streets if we had zoning laws. Under a city government we would have a planning commission composed of local residents.

Red should see the color movies of some of the "beauty spots" of Lemon Grove. These movies are being shown at the Junior High School Auditorium every two weeks. The next showing will be Tuesday, November 16 at 7:30 p.m. It is very interesting, and by the way of comparison some of the "beauty spots" of our neighboring cities are also shown.

Red states that "we have very little crime, very good police protection in comparison to any in the county of comparable size" but I would like to see him name a single county community of the size of Lemon Grove that has over 18,000 people living in it as we have here. So far as I can determine we are the largest concentrated community (population and area) in the county larger than El Cajon, La Mesa or Coronado in area and population unless El Cajon or La Mesa have increased greatly during this year by annexing new territory.

Would you say, Red, that one sheriff's patrol car for all of Lemon Grove is "very good" police protection for a community of 18,000 people?

Don't blame the sheriff's office for not providing more patrol cars. (Continued on page 12)

Slate for Chamber Directors Announced

The nominating committee of the Lemon Grove Chamber of Commerce announced this week the candidates for the upcoming election to choose four replacements for the 1955 board of directors.

Slated to run are: Al Cole, Cole's Cabinet Shop; Bruce Harms, assistant manager First National Bank; Ted Skelley, manager The Highlanders; Earl Smart, attorney; Charles Hesser, real estate broker; Robert Lauer, finance company manager; Herbert Lowe, operator of Lowe's Toggery; Stu Jaeschke, service station operator; Henry Goldy, operator of Michael's and Arthur Glickman, owner of the Petite Shop.

The election will be held December 7 at the annual meeting. The nominating committee was composed of Freeborn Cressy, chairman; Jack Koop, Roy Lane, Beatrice Garber and Meyer Zung.

The Dimmer VIEW

by Max Goodwin

One of Lemon Grove's better service clubs, the Lions, carry on a grim gag. Safety conscious as any group, they have responded to a rumor, which I assure my readers, is completely untrue. The rumor is that the state highway department will make Broadway a four stop at either of two important intersections only after someone is killed at one.

At each of the Thursday night meetings of the Lions, when no fatality has been reported, the club asks for volunteers, someone to sacrifice himself to the heavy Broadway traffic so that the necessary stop markers may be installed. The Lions, whose civic-and-safety pride will slightly at this point, naturally do not volunteer. Invariably someone nominates a member named Robert Schnick to take the rap but Schnick is a slippery eel and so far has managed to quash the motion.

When two school children were hit by autos on Imperial Avenue, in the area east of Lemon Grove, in separate accidents, last Saturday, the grimness of traffic conditions in Our Town was brought more sharply into focus. Luckily, neither of the youngsters was seriously hurt. The drivers, both proceeding well within safe driving speed, were not to blame. Since traffic speed limits are obscure on east Imperial, it is near impossible to decide when speed is an accident consideration.

I have the feeling that we have been forced to move too fast in our highway development during the past few years. Good engineering has given us wide roads with easy curves designed to take us from here to there in the shortest possible time. Laws are laid to take property for a right of way and to levy taxes to pay for the improvement. . . . (Continued on Page 12)

Water Works OKs State Highway Line Replacement Offer

Approval of contracts for replacement by the state of Irrigation District water lines, which will have to be moved because of the construction of the freeway in the Lemon Grove area, was given last week by the board of directors of the La Mesa, Lemon Grove and Spring Valley Irrigation District.

M. J. Shelton, chief engineer and general manager of the district, has been negotiating with the state for some months in connection with these two lines, one of which is a 16 inch line built two years ago, and the other an 8 inch line built in 1939.

The cost will be paid by the state, which is also being asked to pay the cost of construction inspections which must be made by the district.

Shelton reported to the board that the relocation of the lines according to the plan will be completely realistic as to the present and expected development in the areas concerned.

The board of directors also approved an arrangement with the Renssler Valve Company, under which that company will supply water line valves to the district on a consignment basis, the district paying for the valves only as it uses them. Byron Miller, district business manager, who negotiated the agreement, said that the district will have full advantage of price breaks, and will not have to tie up money in stocking inventories for future use.

The USS Bainbridge was the Navy's first destroyer.

Scott Luncheon Meeting Postponed One Week

The long anticipated "tell-all" luncheon address to be given for Lemon Grove residents at Michael's has been postponed one week. The meeting has been rescheduled for Friday, November 26, one day after Thanksgiving.

Scott, president of the Walker-Scott Company, one of the southland's leading department store firms, will build a multi-million dollar shopping center on College above Broadway. His address, he had previously announced, will cover the private and personal elements of financing and merchandising of the huge, sprawling shopper's mart.

The deferment by one week of the Lemon Grove get-together was dictated by a development concerning one of the principal firms in San Francisco who may occupy a huge segment of the 35 retail outlet project. Scott must be in San Francisco the day he is scheduled to speak in Lemon Grove.

"I will have considerable more information to reveal because of the San Francisco trip," Scott announced. "As everyone who is acquainted with me knows, I do not toss off my commitments lightly. I assure the people who are kind and interested enough to attend the meeting called by the Lemon Grove Men's Club, that the postponement is a result of a matter of great urgency."

Scott also revealed that he had been offered \$100,000.00 more than he paid for the land alone

More Taxes for County a Certainty Says League of Calif. Cities Lawyer

Lewis Keller, attorney, associate general counsel for the League of California Cities told the Lemon Grove Men's Club Friday that some sort of equalizing tax is a certainty for communities enjoying urban services from the county.

"A resolution was passed at the recent annual meeting of the League (see Lemon Grove Review October 28) at Los Angeles last month advocating a sales tax to balance out with the sales tax in cities. This money would be returned to the county for county services and would have the additional advantage of making the sales tax equal on city and county businesses."

Lewis was visiting a former college classmate in the area, Paul Engstrand, well known La Mesa attorney. Both men were guests of Judge Luther Hussey, vice chairman of the club.

An amusing sidelight occurred when the perennial demand that the club's funds (estimated to total about \$30) opened Judge Hussey, "then every member who received a quarter has become an accessory after the fact."

A turnout of about 35 was present. Two new members were admitted to the club.

Scott Luncheon Meeting Postponed One Week

and that this offer was the latest of three bonafide ones he received. "I turned 'em all down," he said because I feel that this area offers opportunities unequalled anywhere in the country.

"These opportunities are the same ones business people in Lemon Grove have at hand. That is one of the reasons your local people should fear competition. So convinced am I that we can channel traffic to this area from many and diversified points that I am encouraging a department type store to operate in the center in competition to my own department store."

Scott said that he has firm applications from 141 business firms who wanted locations in the College Avenue development. There are six from businessmen in Lemon Grove, he stated.

"It may be a year before ground-breaking takes place," he said.

Meanwhile, a few additional reservations have been made available by the changed date. These may be acquired by anyone, whether they are a member of the Men's Club or not, by calling Michael's, The Review, or Luther Hussey, the club's vice-chairman.

Women are normally excluded from club activities, are invited to hear Mr. Scott.

The San Diego County Tuberculosis and Health Association conducts a year-round, county-wide campaign to battle tuberculosis. Its efforts are supported solely through CHRISTMAS SEALS.

tuary to have a feeling of warmth with none of the stilted formality that denies a pleasant picture to the survivors. I think that has been accomplished," he added.

The funeral home has acoustical plaster throughout for hushed quietness. The colors are pastels of gray and green with rose colored wall-to-wall carpets and matching drapes. All of the appointments and decorations were chosen to give a feeling of hominess, Conrad said.

The chapel is in pastel green and has indirect lighting. It is situated so that families may walk directly into this room without winding through any other part of the building.

This room is flanked by the foyer, waiting room and family room. A showroom is toward the rear of the building. The preparation room is one of the most modern and efficient in the county, Conrad said. "We have a woman attendant, too," he added.

"The mortuary is privately owned and we guarantee personal service," Conrad said. "We expect to continue to develop our reputation on that basis. We are on call 24 hours a day."

Conrad Mortuary boasts a large parking area both front and back. Mr. and Mrs. Conrad occupy a newly built upstairs apartment. The couple have one child, a son, Gary.

Veteran's Day, 1954, sharpens our focus on the beloved dead of other years who have helped make democracy safer. We oldsters recall with sorrow our own, our friends, our countrymen, and our allies who have made the supreme sacrifice to the cause of freedom we champion. Youngsters such as these, we pray, shall never know the sweat, toil and tears of the gallant men of '76. But American history, being exciting as it is, led Mrs. Evelyn Lauritzen's Golden Avenue School pupils to emulate our patriotic forefathers. Thus, we see Michael Foote, Vivian Reynolds and John Jaynes recreating a scene which occurred nearly 175 years ago, and symbolizes patriotism in its highest order. We give three cheers for Mrs. Lauritzen's second graders.

"We'll give the most personalized service possible," announced Kenneth Conrad who opens Lemon Grove's first mortuary this week at 7387 Broadway. Conrad has completely reconstructed the building for Kenneth Conrad, a Lemon Grove first. —Lenox Foto

Woman's 'Gourmets' Plan Food Sale Friday

A food sale is planned by the
Lemon Grove Woman's Club,
"Gourmet Section" from 12 noon
to 1:30, Friday at the club house,
2810 Main St. There will be
home-made pies, cakes, bread,
salads, etc.

At the regular meeting after
the food sale, a film entitled
"What's New in Cooking," will
be presented. Chairman is Mrs.
Frank Eldredge; hostesses, Mrs.
Marie Howell, Mrs. A. P. Schnell,
Mrs. R. G. Richardson. There will
also be door prizes. On Tuesday
the "Gourmet Section" will meet
at 1:30 at the club house. Mrs.
Frank Eldredge will present holi-
day menus.

Don't forget the food sale.

MILLS FIRM MARKS FIRST ANNIVERSARY

First anniversary is being
marked this week by Mills Home
and Garden Center at 7473 Broad-
way.

The Mills family came here
from Illinois to start the business
venture which has successfully
survived the crucial first year.
As a note of appreciation the
firm will serve donuts and coffee
to all visitors this week-end.

ELIZABETH LONG PASSES AT 99

Elizabeth B. Long, affection-
ately known as "Bossie" by her
multitude of friends and acquain-
tances, and mother of Lemon
Grove real estate man William
"Bill" Parsons, died last week at
the age of 99 at the home of her
son at 7784 Daytona Dr.

Mrs. Long was the widow of
David T. Long, a Yankee veteran
of the Civil War. He died in 1914.
She was the only child of three
born in America. She survived
by 33 years her two sisters and
a brother. She was born in Mas-
son County, Virginia, traveled
with her parents by ox team to
Chanute, Kansas which was
known at that time as Little Chi-
cago. Her parents homesteaded,
lived and died there.

Mrs. Long would have reached
the century mark on May 17 had
she lived. She walked to the
Lemon Grove business section
twice a week regularly and made
her customary visits until 10 days
before her death. It was the sec-
ond time in her life she required
the services of a doctor. She is
also survived by her daughter-
in-law, Jean Parsons, Bill's wife.

Lioness' See Xmas Decorations Display

An interesting evening was en-
joyed by the Lemon Grove Lion-
esses Wednesday at Michael's
when Mr. Dyson and Mr. Robert-
son from the Dyson-Robertson
Display House gave a demon-
stration on how to make Christmas
decorations.

A vote of thanks was given to
the club members responsible for
the beautiful decorations at the
Lioness' Halloween dance.
The Lionesses donated \$25.00
to the nativity scene as a Christ-
mas present to Lemon Grove for
the coming Yule season.

Just Like in Dreams—Free Ice Cream for Kiddies

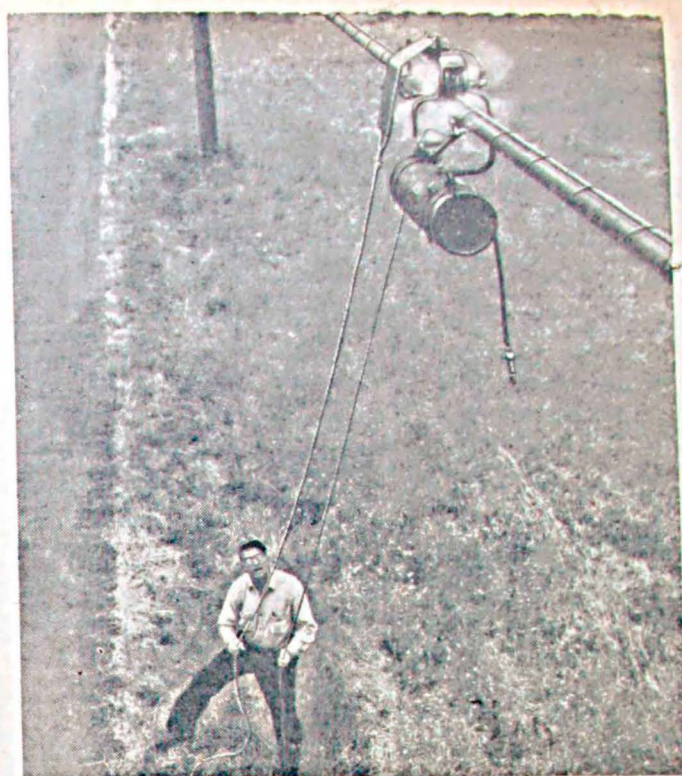

Free ice cream, rich, like the
kind grandmother used to make,
will attract Lemon Grove young-
sters to the newly opened Real
Ice Cream shop at 3435 Imperial.
Next to the Review office, Sat-
urday, November 20.

Store operator Bob Campbell
says that all of the firm's 20
flavors will go into cones for
kiddies on a first come—first
served basis. Only restriction is
that the give-away will stop at
noon. It starts at 10 a.m.

If parents want to share in the
free deal they must be accompa-
nied by a child, Campbell said.
The free ice cream offer is to
mark the opening of the firm's
location here.

DISTRICT TEN GIRL SCOUTS TO MEET FRIDAY

Girl Scouts of District 10, com-
posed of Lemon Grove, Monte-
rey Heights, Spring Valley, Casa
de Oro and Oak-Nel neighbor-
hoods, will have an all district
meeting, Friday, at 7:30 p.m. in
the Lemon Grove School Cafete-
ria. Committee mothers, and

New sprayer fights cable-boring beetles. Astounding as it may seem, there's
a kind of beetle that can eat right through the lead cover of a telephone cable. The beetle's
so tiny it's hard to see. But the hole it leaves can let harmful moisture inside a cable. To
prevent this, telephone people use a special repellent, which used to be brushed on cables
entirely by hand. But the new sprayer—pulled by a man on the ground—puts the repellent
on three times faster. By saving valuable time, this cuts the cost of guarding cables. So it's
a big help in bringing you good telephone service that's high in value and low in price.
Pacific Telephone works to make your telephone a bigger value every day.

Grove May Hit Quota In Success Drive

The Lemon Grove Second United Success Drive this week reached
56.6 per cent of its \$6,626 goal and campaign leaders were enthusi-
astic over the possibility of "taking the lead in the Associated Towns
Division of the campaign." Robert
Sutton, drive chairman for
Lemon Grove, said, "All we need
is some steam. The people here
want to give. It's just a question
of getting out in a hurry to re-
ceive donations from all those
who want to contribute. If we
get on the ball and really hustle,
we have a good chance of coming
in first."

Sutton said the overall drive
stood at 86 per cent of its \$1,370-
000 goal. He gave these percent-

ages of quota for other associated
towns: Heartland 66; Southeast
92; South Bay 34; San Diego
69; Northeast 102.7.

In the Associated Cities Di-
vision he said La Mesa had 65
per cent of quota and El Cajon
had 59 per cent.

Junior High School Marks Education Week

Open House was held in the traditional manner last night at the Lemon Grove Junior High in observance of the 34th annual American Education Week. Sponsored by the Lemon Grove School P-TA as the regular November meeting, the open house was held from 8 to 9:30 p.m. in the various classrooms. Parents, provided beforehand with schedules, went through a regular class day with the teachers, with class periods each ten minutes in length. During these brief "classes" the

teachers explained what was being taught in the several grades and what standards were established for successful completion of the year's work.

Before the open house a short business meeting was held in the school auditorium. Refreshments were served here at 9:30 by the room representatives of the 8-5 and 8-6 classes, with Mmes. Thomas Devin, Ernest Denlinger, Burton Young, and Quentin Martin.

The next regularly scheduled meeting of the group will be on Thursday, January 20, at which time Dad's Night will be held.

L. G. Teachers to Attend C.T.A. Meeting in L. A.

Four representatives of the Lemon Grove District Teachers Association will attend the California Teachers Association meeting in Los Angeles this weekend. Louis Poluzzi, club president, Rick Stammerjohn, C.T.A. representative from Lemon Grove, and Dorothy Geissler, committee chairman, will be present on Saturday for the day-long session of the Southern Section group of the state.

Peg Darroch, public relations chairman for Southern California, will act as chairman for the second meeting of the California School Public Relations Association in Los Angeles on Friday night at the South Figueroa headquarters.

Glenn Murdock, La Mesa superintendent, along with two school superintendents from the Los Angeles district, will serve on a panel with Mrs. Darroch to discuss "Working on the Levy," a topic dealing with local school tax and bond elections. School personnel throughout Southern California have been invited to attend this meeting of CSPRA.

Catholic Daughters To Institute New Court at Ocean Beach

Mrs. Milton Weckerle, of Daly City, State Regent of the Catholic Daughters of America, announced recently that a new court will be instituted at Ocean Beach, in the San Diego Diocese. The ritualistic work will be exemplified by the officers of Court St. Rose of Lima, No. 1438. The event will take place at the Ocean Beach Woman's Club, 2160 Bacon Ave., Ocean Beach, Thursday evening, November 11, at 8 p.m. All members of the Catholic Daughters of America throughout the state are cordially invited to attend. Reservations should be made by contacting Mrs. Fred Thompson, 2029 Sunset Cliffs Blvd., San Diego 7. Following the ceremonies, refreshments will be served, according to an announcement made by Mrs. Thompson who is the general chairman of the affair.

The institution of the new court will be the 13th in the State of California representing approximately 14,000 members.

Grove P-TA Reports On Carnival Profits

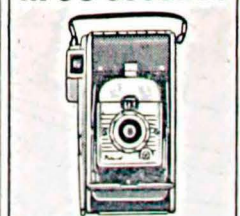

Membership and carnival reports headed the agenda last Thursday evening when the executive board of the Lemon Grove School P-TA met at the home of Mrs. John Cornelius, 7050 San Miguel St. Mrs. Bert Cosby stated that the junior high school was 100 per cent in P-TA membership, with over 540 of these enrolled during the October drive. Harold E. Randall told the board that approximate profits from the four booths sponsored by the unit at the district Halloween carnival was \$125.

Other reports were given by program, ways and means, citizens committee, music parents, student welfare, and welfare chairmen. Plans were formed for starting "traveling baskets" for members as a fund-raising activity. The next meeting of the board will be at the home of Mrs. H. E. Randall, 7848 Nichols, on December 14.

Teachers of the board acted as hostesses for the evening. Those present included Mmes. John Dail, Bert Cosby, Peg Darroch, Harold Randall, Herman Bryant, Charles Whalen, John Cornelius, Vernon E. Linden, Frank Vaught, George Mayo, W. C. Bandlow, L. P. Hodgson, Harold Perkins, and Jack Brook. Also Ben I. Schei, Harold E. Randall, Frank Mattas, Jack Lemmer, Merlin H. Gale, newly-appointed parliamentarian, and Jack C. Wilson.

LETTERS TO THE EDITOR

Continued from Page 1

cars because the county tax rate is the same all over the county and residents of the city of San Diego, La Mesa and other cities pay the same county taxes that we pay. Thus we are not entitled to any more police protection, or county services than the people in these cities, although we should have more protection because of the larger population.

You must be expressing the views of your ghost writer when you say that annexation is better than incorporation. Do you know that if we annexed either to San Diego or La Mesa the property owners would still have to pay the bonded indebtedness of the special districts in Lemon Grove such as Grossmont High School, elementary school, fire district, sanitation districts, irrigation districts, Grossmont Hospital District, etc.?

We could also be required to assume a portion of the bonded indebtedness of the annexing city. Also, it would be about a 10 to 1 bet that if we annexed to San Diego, our high school children would not be eligible to attend Grossmont or Helix but would have to attend a San Diego High School and furnish their own transportation.

If you think annexation is so good, why don't you tell the people what the advantages are—if you can think of any.

You know, Red, that I realized when I started answering your letters that I was laying myself open for the question about "What job are you seeking?" I'm surprised that you didn't ask that question before, but maybe your ghost writer is the one who thought of it.

In the first place I am not the only attorney actively supporting this proposition. Secondly, the city attorney will be appointed by the five members of the city council who will be elected by the people, and no one knows yet who will be a candidate. Incidentally, councilmen will not receive compensation.

You say you have lived here for about ten years and I think your trouble is that you are still living in the past and don't realize that Lemon Grove has grown up and will continue to grow for

next week. O'Malley says that
in addition to answering Mr.
Armstrong, he is also getting in
shape for the coming fray when
he meets his opponent face to
face publicly.—Ed.)

Dear Editor:
When we came home from the
carnival at Monterey Heights
School Saturday evening we ex-
pected to find some "tricks"
played on our new home. We did
not mind moving the bricks
stacked in front of the door or
cleaning the dirt out of the mail-
box or washing the eggs off the
screen door, but to find two feet
deliberately broken off the top of
one of our new young trees was
heartbreaking. We could easily
clean up the "tricks," but we
could not repair one of God's
creations, the tree.

May the consciences of the
children who did that guide them
in the future so they may never
do it again. If they begin de-
stroying lovely things when they
are young, they may do it all
their lives and I pity them for
in the end they are only hurting
themselves.

This was hardly a pleasant wel-
come to the community, but I
suppose, what a teacher might
expect from former students. I
hope that other new residents
did not receive similar treatment
or Lemon Grove's reputation as
a nice community to live in will
not last long.

Very truly yours,
(Mrs. Louis Poluzzi)

ST. JOHN'S FASHION SHOW STATED FOR WEDNESDAY

Three youngsters portray styles that will be shown at St. John's Parents' Guild Fashion Show Wednesday.

Patricia Ann Pathman, 7270 Blackton; Virginia McClintock, 1335 Bakersfield and Tommy Rueff, 2910 Central Ave., Spring Valley, are the models. Grown-up styles will be shown, too.

LENEX FOTO for the REVIEW

"Holiday Silhouettes" is the theme of the Fashion Show and card party sponsored by the Parents' Guild of St. John of the Cross on November 17, at 12:30 p.m. in the Church auditorium at Washington

and Imperial Ave. Mrs. Stan Strep is general chairman and Mrs. F. D. McClintock will double as commentator and fashion chairman. The auditorium will be decorated with bouquets of chrysanthemums and fall foliage. Tally cards and napkins will carry out the fall foliage theme, according to Mrs. William Edell who is in charge of decorations.

This is the first time the guild has had a fashion show in the fall and 400 guests are expected to view the gay holiday creations from Marsi's new women's shop and the lovely clothes for the small fry from The Petite Shop. Dessert and coffee will be served before the fashion show and later there will be a drawing for many lovely door prizes.

Mmes. Frederick Scheneman, Herschel Minix, James Young, Van Ingraham, John Krumholz, George Barth, Mrs. Violet Kirby will model ladies' fashions and Miss Nancy Geitzen will model teen fashions for Marsi's.

Children modeling for The Petite Shop will be: Patricia Ann Pathman, Virginia McClintock, Clare Fraenzl, Timothy Rueff and James Weir.

Music will be provided by Mrs. Robert Goodbody at the piano.

Reservations can be made through Mrs. Bernard Menard at HO 9-2806.

Free Tourist Stickers For Letter Writers

The San Diego Convention and Tourist Bureau began distribution today of a new two-color "envelope sticker" designed to capture greater vacationland publicity for the county throughout the nation.

The colorful stickers, bearing a likeness of "Don Diego" plus an invitation to "Visit San Diego County — There's More to Do Plus Old Mexico Too," are being distributed to business firms throughout the county with a request that they be attached to envelopes and other mailings as a continuing advertisement for the community.

The Convention and Tourist Bureau also invited individuals to apply the "vacationland stickers" to personal mail sent to friends outside San Diego County. They are available upon request to the bureau at 409 W. Broadway. However, the bureau asked individuals to include a self-addressed stamped envelope with their request for stickers.

L.G. Review Nov. 11, 18, 25 & Dec. 2, 1954.

How to "do-it-yourself" is illustrated by attractive Barbara Felter, of 3459 Imperial Avenue who with saw and plywood, takes a try at what used to be a man's chore. New methods, materials and ideas are contributing to the growing hobby. What's more, its practical, say experts.

LENEX FOTO for the REVIEW

Looking for do-it-yourself ideas for Christmas?

Here's a bonanza in ideas and plans that may be just the ticket. It's a series of three plan folders showing a total of 25 plans for outdoor and indoor Christmas decorations, gift and toy items and Lemon Grove Lumber has 'em.

Every one is planned for construction with fir plywood from clear, concise drawings that show you just how to do the job.

One folder shows plans for a complete lifelike Nativity scene. Nothing can do more to dramatize the real spirit of Christmas than a decoration like this. The display consists of eight figures about eight feet high representing Joseph and Mary, the Christ Child and other personalities in

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES
November 3rd 1954
TO WHOM IT MAY CONCERN:
Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages

at these premises, described as follows:
7252 BROADWAY
LEMON GROVE
Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licenses) for these premises as follows:

ON SALE BEER

Anyone desiring to protest the issuance of such license(s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages.

TODAY

is the best time in 10 years
to invest

in San Diego County real estate

— says James C. Downs, Jr., of Chicago

Editor, "National Market Letter," and "San Diego County Real Estate Trends"

How often have you heard people say of a certain piece of San Diego County real estate, "Why, if I had only known . . . just a few years ago I could have bought it for a fraction of its present value!"

Those who spend all their time forecasting trends and advising large investors agree that:

1. For many years, well-chosen San Diego County real estate has been a "blue-chip" investment — offering greater safety of principal, plus more profit, than most other forms of investment;

2. The value of well-chosen San Diego County real estate is almost certain to increase even faster than it has in the past;

3. Construction costs — of both homes and commercial buildings — probably also will continue to increase.

If you've been hesitating to invest in a home of your own or in income property, now is the time to ACT. The advice of the experts is "you'll probably never have a chance to get it for less than today's price."

To MAKE A GOOD CHOICE, talk with a reputable real estate broker. When you buy, tell him you want the title insured by —

Throwin' The Bull

By Bob Turnbull

It's a joke, Son! . . . Dancing: one of the few remaining activi-

ties in which men lead women.

Helix 3-D? . . . We won! Why, we tore up, as some Helix seniors would say! In fact, quoting a few freshmen, we were "frantically 3-D!" Anyway you look at it Helix was victorious over the Sweetwater Red Devils last Friday night in a very important league skirmish. The loser automatically lost all hope and chance

for even a pennant tie. Henry Bonilla, Helix's fleet senior half-back, tallied two TDs to up his over-all scoring record to 48, 10 points in front of his closest opponent and teammate, Karl Jordan who has a season record of 38. Mostly Lemon Grove products contributed to the scoring column. Jordan tallied once and added three conversions, Bates Bonilla scored twice and Wel-

baum stepped into the heaven zone once.

Sport Flashes. . . In the Metro league Helix is still in third place with a 2-1 record. They've scored 93 points favorable while been punched for 46. . . San Diego and Oceanside are the leaders of the City and Avocado leagues, respectively. . . In league scoring Bonilla of Helix is in first place

with 30 points followed by teammate Jordan with 23. Farther down the list we see Barsotti (18) and Miller (12). . . In all games played Helix is in undisputed second place with a seasonal record of four wins and only two losses. . . For the past two weeks Helix has been receiving one honorable mention after another. In the Chula Vista-Helix gridiron battle, Sonny Beyer received

honorable mention for "Back of the Week." Teammate Ed Dobis, outstanding guard, received honorable mention for "Lineman of the Week." That same week saw Lincoln's Dave Rafalovich clinch "Lineman of the Week" laurels for his display against La Jolla. Dave went to Helix for two years before transferring. In the Mar Vista-Helix game Henry Bonilla was runner-up for "BOW." . . .

Linebacker Wayne Sweetwood was runner-up for "LOW." . . . Starting as of next week, sports will not be featured so much in my column. There will be a mention of sports, etc., but I'd like you to read another REVIEW by-lined column by Arvis Reed titled "Highland Huddle." His article has all the informational facts about Helix's football team. . . . (Continued on Page 12)

THROWIN' THE BULL

continued from page 11
The high school football scoring

streak record for the United States was set by the Ashland (Kentucky) High "Tomcats," who won 35 straight games from 1928

to '32. . . State College Aztecs opened up a month of pre-season basketball practice last week. The key to their cage hopes rests upon a 66' ex-Helixer named Noel Mickelsen. . . Helix's JV cross-country team bested Point Loma's JV harriers, 26-31.

THE DIXON LINE

Continued from Page 1

Never before have we had so much need of faith of a religion that satisfies. The standards of the past have fallen in the dust. We must raise new standards. Do we need God? Yes. But we no longer wish to see the warring sects, the ecclesiastical publicans or the Churchly Pharisees. We

need sincerity in our faith and in our lives, and a creed which will help us seven days of any week.

We want permanency, not delusion or grandeur. We want truth and light and love, and to feel that the kingdom of heaven is within us.

—DL—
And that is all at this time.

DIMMER VIEW

Continued from page 1

God knows we need roads and because of the rapidly expanding population and because the cars-

per-family ratio has increased dramatically since the war.

Like the rumor has it, however, a lot of lives will be contributed each year to point up the need for better traffic control on many Southern California roads and highways. Some of the guys who are responsible for highway traffic control will argue with me about need for more safety devices on Imperial-Broadway, and they may be right, but if they'll give me a bucket of white paint to lay a half dozen crosswalks between the two extremes of Lemon Grove, then assign a highway patrolman here a few hours a week to help teach

some of the knucklehead drivers who have not yet become aware of it, that these cross-walk lanes are intended for pedestrian safety. I'll give my personal guarantee that your kids and mine will have a better chance to live to be a driver, although they

may live only to run down some other pedestrian who is trying to negotiate our busy thoroughfare, the latter still being without crosswalk or traffic supervision.
